Gregory d'Incelli is an experienced civil litigator whose practice focuses on representing victims of serious personal injury and medical practice. Prior to joining the firm, Gregory spent the better part of a decade working as defense counsel for some of the world's largest insurance companies in high-stakes complex litigation. Gregory's tenure as a defense lawyer provides him with insight into the valuation of claims and litigation strategies of insurance adjusters, corporate defendants, and defense attorneys. He now leverages this experience to protect the rights of those who have been catastrophically injured or killed and maximize compensation for his clients.

Gregory proudly serves the legal and local communities, holding several positions in Bar Associations and the Florida Bar. He is a fellow in the Florida Bar's prestigious William Reece Smith, Jr. Leadership Academy, and has been repeatedly recognized by publications such as Florida Trend Magazine and Super Lawyers Magazine as one of Florida's finest young lawyers. Gregory graduated *cum laude* from the University of Miami School of Law and obtained his undergraduate degree from Dartmouth College.
